[Any Way You Want Me](#) May 31 2020 PROLOGUE "You know what your problem is?" Gatlin bit out. "You're too damn naïve. Not everything in life is all butterflies and sunshine Kylie." "And do you know what your problem is?" Kylie shot back. "You're too damn jaded. You wouldn't know happiness if it bit you in the ass," she continued. "You're content being miserable — and I'm going to leave you to that because it has no place in my world of butterflies and sunshine," she ended, storming past Gatlin. His arm snaked out and grabbed her. "Let go ... of ... me," Kylie bit out as she fought against her rising tide of passion. Gatlin's heat-seeking tongue melted her last bit of resistance. Kylie dug her hands into his thick, dark hair. Gatlin slowed his assault on her mouth, moving to the golden column of her neck. "No, no, no ... stop. Stop Gatlin," her words slowly penetrated his aroused state. "This doesn't solve anything," she said, tears rolling down her cheeks. It's never been our problem ... and it won't be our salvation." Shaking off his desire to focus as best as he could, Gatlin responded, "It's a damn good place to start," and reached for her again. "Gatlin stop!" Kylie yelled. "Don't you see? This is just another way for you to not deal with your real feelings. ... I'm looking for real, lasting, soul-connecting love; not some casual roll in the hay!" "You know you mean more to me than just a roll in the hay," Gatlin said. "I really care about you Kylie." "I love you Gatlin. And I know it's not something a modern woman is supposed to say so early in a relationship. But there it is. And I don't expect you to do anything or say anything. I just wanted you to know where I'm coming from." "In my world, love is not complicated. Difficult at times? Yes. But hard? No. You're absolutely right, I do believe in butterflies and sunshine. I believe in love — and I won't let anybody make me feel bad about that or take that away from me." "The thing is, I know you love me too. But you just won't let yourself trust that what we have is real. And I refuse to spend my life trying to prove it to you." ### "Stop hitting my mom!" Gatlin yelled, jumping in front of his mother to prevent his father from landing another blow. "This is between your mother and me boy!" his father said in his drunken slur. "Go to your room. I'm ok honey." "I'm not leaving you," Gatlin cried, his seven-year-old voice cracking with fear as he tried to drag his mom from the room. As his father prepared to land another blow, Gatlin kicked him in the groin. He doubled over in pain, shouting, "You miserable little piece of shit! I'll kill you for this!" Gatlin's mother ran to his side. "Honey are you alright? " she said, wiping blood from the side of her lip with one hand while she consoled his father with the other. ### Gatlin had mentally catalogued hundreds of these memories from his childhood. But this particular one stuck with him vividly. He realized why when Kylie said, "I believe in love and I won't let anybody take that away from me." When his mother had gone to his father to comfort him, instead of coming to him, a frightened 7-year-old, he realized the power of love. His mother had loved his father beyond all rhyme and reason — even beyond her child. He didn't realize it, but that had been the moment he'd stopped believing in love. Love hurt. It was cruel. It wasn't kind. It was loyal to the wrong people. ### Can Kylie trust that what's between them will blossom into everlasting love, or will Gatlin's painful past always be a barrier to their happily ever after? ### african american romance, contemporary romance, interracial romance, bwwm romance, multicultural romance, drama romance, short romance, steamy romance, suspense romance

[On the Way to You](#) Dec 27 2019 What makes you happy? That was the question Emery Reed asked me the day we met, and I couldn't give him a single answer. I could have said my dog, or my books, or yoga - but I just stared. And then, I got in his car. It was crazy to take a road trip with a stranger, but after years of standing still, he was my one-way ticket to a new life, and I wasn't going to miss it. We shared the same space, the same car, the same hotel room - and still, we were strangers. One day we'd be laughing, the next, we wouldn't speak. Emery was surrounded by impenetrable walls, but I wanted in. Discovering his journal changed everything. I read his thoughts, words not meant for anyone's eyes, and the more I learned about him, the harder I fell. It turned out nothing made Emery Reed happy, and I wanted to change that. I earned his trust by violating his privacy, and as wrong as it was, it worked - until one entry revealed a darkness I never knew existed, a timer I never knew was ticking. Suddenly, what made me happy was saving Emery from himself. I just didn't know if I could.

[Changing the Way You Think](#) Sep 27 2022 It was during an isolated tour of military duty that the author Sheldon Malone was led to compile these devotionals written over the years into a one-year devotional book designed to encourage readers to look at God's Word from a whole new perspective by changing the way they thought. It was not until he changed his thinking that he truly began to see the transforming power of God manifested in his life in tangible ways. This is precisely why we have to allow God to expand our territory and horizon by permitting Him to change the way we think through His Word. As you read each devotional, this author's prayer is that you will find strength and encouragement to allow God to propel you into higher heights and deeper depths in the things of the Kingdom. The Word of God may just give you a different perspective as it encourages you to change your thinking in order to achieve a new mindset.

Read the Way You Talk Feb 06 2021 Read the Way You Talk offers instruction for lectors. It presents guidelines for making oral reading meaningful and believable. Three lessons give detailed instructions in eighteen different areas including parallelism, repetition, and pronunciation. Special guidance is provided for using inflection and stressing words. With practice, readers who share the Word of God with others can read as naturally as they speak while they become comfortable with their audience, sure of what they are saying, and confident their message is important. Part I, "The Word of God in Human Speech," explains why the readings need to be spoken in conversational tone. Part 2, "Rules for Reading Like Talk," is divided into lessons and contains rules, explanations of techniques, and examples. Read the Way You Talk is a useful resource for lectors, deacons, priests, and leaders who instruct lectors and seminarians. "An excellent guide for training ministers who will act as lectors." Touchstone?In Read the Way You Talk, the author notes that reading the liturgy in church should be 'like talk'...telling someone what is on your mind. The author, Jack Hartjes, actually creates this same experience in writing his guidebook; it is as though he draws the reader into a personal conversation about reading scripture aloud which is both highly informative and inspiring. Just as he notes people come "alive when they talk--that humanness"belong(s) to the celebration of the Word of God," his work comes alive with the joy of what he has to share with the reader." Roseanna Ross?"I recommend Read the Way You Talk as an excellent resource for those who have the responsibility of training lectors and Gospel readers. It will be particularly useful for guiding those who have a habit of reading in a particular repeating vocal pattern (sing-song reading), those who know how to study the biblical background but cannot always translate it into a reading that the listener understands immediately, and those preparing passages with long sentences and many ideas." Pastoral Music?"While specific to the role of reading the liturgy in a church setting, Read the Way You Talk is also very highly recommended as a tutorial for anyone having to do recitation or readings in any public, clerical, pastoral, or devotional setting." The Midwest Book Review

Play the Way You Feel Oct 17 2021 "This book-both a narrative and a film directory-surveys and analyzes English-language feature films (and a few shorts and TV shows/movies) made between 1927 and 2016 that tell stories about jazz music, its musicians, its history and culture. Play the Way You Feel looks at jazz movies as a narrative tradition with recurring plot points and story tropes, whose roots and development are traced. It also demonstrates how jazz stories cut across diverse genres-biopic, romance, musical, comedy and science fiction, horror, crime and comeback stories, "race movies" and modernized Shakespeare-even as they constitute a genre of their own. The book is also a directory/checklist of such films, 66 of them with extensive credits, plus dozens more shorter/capsule discussions. Where jazz films are based on literary sources, they are examined, and the nature of their adaptation explored: what gets retained, removed, or invented? What do historical films get right and wrong? How does a film's music, and the style of the filmmaking itself, reinforce or undercut the story?--
