*Voices from the Grave* Feb 17 2022 The dawning of peace in Northern Ireland has not brought with it much truth about what happened during 'the long war'. Very few of the paramilitary leaders on either side

have ever spoken candidly about their role in that bloody conflict. But here, in a dramatic break with the unwritten laws of paramilitary omertà, two leading figures from opposing sides reveal their involvement in bombings, shootings and killings and speak frankly about how differently their wars came to an end. Brendan Hughes was a legend in the Republican movement. An 'operator', a gun-runner and mastermind of some of the most savage IRA violence of the Troubles, he was a friend and close ally of Gerry Adams and was by his side during the most brutal years of the conflict. David Ervine was the most substantial political figure to emerge from the world of Loyalist paramilitaries. A former Ulster Volunteer Force bomber and confidante of its long-time leader Gusto Spence, Ervine helped steer Loyalism's gunmen towards peace, persuading the UVF's leaders to target IRA and Sinn Fein activists and push them down the road to a ceasefire. In extensive interviews given to researchers from Boston College on condition that their stories be kept secret until after their deaths, these men spoke with astonishing openness about their turbulent, violent lives. Now their stories have been woven into a vivid narrative which provides compelling insight into a secret world and events long hidden from history. *Voices from the Grave* is the inaugural publication of the Boston College IRA/UVF Oral History Project of which Professor Thomas E. Hachey and Dr Robert O'Neill are the General Editors.

Leave the Grave Green Dec 23 2019 When Connor Swann, the dissolute son-in-law of renowned and influential Sir Gerald and Dame Caroline Asherton, is found floating in a Thames River lock, the circumstances eerily recall a strangely similar tragedy. Twenty years ago, the Ashertons' young son, Matthew, a musical prodigy, drowned in a swollen stream while in the company of his sister Julia -- Connor Swann's wife. Police Superintendent Duncan Kincaid and Sergeant Gemma James quickly discover that Connor's death was no accident, and that nothing in the Asherton family is as it seems. Connor, though estranged from Julia for more than a year, still lives in her London apartment, where his exploits with women and gambling suggest plenty of motives. The Ashertons are far more attached to Connor than to their own daughter, and these are only the first of the secrets that haunt the suspects. New lies cover older lies, as Kincaid finds himself dangerously drawn to Julia Swann, and Gemma must confront her own troubling feelings for Kincaid.

Memoirs from Beyond the Grave: 1800-1815 Jan 24 2020 The second part of an infamous memoir about life in the time of Napoleon by a rebellious literary celebrity. In 1800, François-René de Chateaubriand sailed from the cliffs of Dover to the headlands of Calais. He was thirty-one and had been living as a political refugee in England for most of a decade, at times in such extreme poverty that he subsisted on nothing but hot water and two-penny rolls. Over the next fifteen years, his life was utterly changed. He published *Atala*, *René*, and *The Genius of Christianity* to acclaim and epoch-making scandal. He strolled the streets of Jerusalem and mapped the ruins of Carthage. He served Napoleon in Rome, then resigned in protest after the Duc d'Enghien's execution, putting his own life at tremendous risk. Memoirs from Beyond the Grave: 1800-1815—the second volume in Alex Andriessé's new and complete translation of this epic French classic—is a chronicle of triumphs and sorrows, narrating not only the author's life during a tumultuous period in European history but the “parallel life” of Napoleon. In these pages, Chateaubriand continues to paint his distinctive self-portrait, in which the whole history of France swirls around the sitter like a mist of dreams.

Denying to the Grave Aug 23 2022 "This chapter addresses the complicated topic of conspiracy theories. This topic is complicated because a conspiracy theory is not *prima facie* wrong. Yet one of the hallmarks of false scientific beliefs is the claim by their adherents that they are the victims of profiteering, deceit, and cover-ups by conglomerates variously composed of large corporations, government regulatory agencies, the media, and professional medical societies. The trick is to figure out if the false ones can be readily separated from those in which there may be some truth. Only by carefully analyzing a number of such conspiracy theories and their adherents

does it become possible to offer some guidelines as to which are most obviously incorrect. The chapter then studies the psychology of conspiracy theory adherence. It argues that belittling people who come to believe in false conspiracy theories as ignorant or mean-spirited is perhaps the surest route to reinforcing an anti-science position"--

Seven Men Who Rule the World From the Grave Oct 21 2019 Though their bodies lie cold and dormant, the grave cannot contain the influence these seven men have had on today's world. They continue to rule because they have altered the thinking of society. They generated philosophies that have been ardently grasped by masses of people but are erroneous and antisciptural. Today these ideas pervade our schools, businesses, homes, and even the church. As we continue to unknowingly subscribe to their philosophies, we keep the grave open for Charles Darwin, Karl Marx, Julius Wellhausen, John Dewey, Sigmund Freud, John Maynard Keynes, and Soren Kierkegaard. Dave Breese warns us of the dangers of believing unreservedly the ideas of these seven men. He also reminds us of the only man whose life and words we can trust completely- Jesus Christ.

It was a friendly hunting trip--two men kicking back, shooting at clay pigeons on campgrounds near rural Montrose, Pa. Then, a single shot rang out. Moments later, Marty Dillon, a promising young lawyer, was dead of a gunshot wound to the chest. His friend, Dr. Stephen Scher, later tearfully explained that Dillon had been running with a shotgun after a porcupine, and tripped and fell, accidentally killing himself. But what really happened? Marty Dillon's violent death was immediately declared an accident by the local coroner in 1976. But as Dillon's body was lowered into the cold ground, did a damning secret, one that would haunt his friends and family for decades, go with him? \* Were rumors of an affair between Dr. Scher and Marty's wife, Pat, true? \* Why did the couple marry so soon after Dillon's death? \* If the shot was self-inflicted, why did the bullet come from Dr. Scher's gun? \* What was it about Dillon's bloody wound that cast suspicion on Scher? After 20 years of pleading with authorities and finally hiring their own investigators, Dillon's parents persuaded the Pennsylvania State Police to reopen the case. They exhumed Dillon's body--and his decayed remains told the real story of that tragic day two decades earlier. *The Grave on the Wall* Feb 23 2020 A memoir and book of mourning, a grandson's attempt to reconcile his own uncontested citizenship with his grandfather's lifelong struggle. A memoir and book of mourning, a grandson's attempt to reconcile his own uncontested citizenship with his grandfather's lifelong struggle. Award-winning poet Brandon Shimoda has crafted a lyrical portrait of his paternal grandfather, Midori Shimoda, whose life—child migrant, talented photographer, suspected enemy alien and spy, desert wanderer, American citizen—mirrors the arc of Japanese America in the twentieth century. In a series of pilgrimages, Shimoda records the search to find his grandfather, and unfolds, in the process, a moving elegy on memory and forgetting. Praise for *The Grave on the Wall*: "Shimoda brings his poetic lyricism to this moving and elegant memoir, the structure of which reflects the fragmentation of memories. ... It is at once wistful and devastating to see Midori's life come full circle ... In between is a life with tragedy, love, and the horrors unleashed by the atomic bomb."—Booklist, starred review "In a weaving meditation, Brandon

Shimoda pens an elegant eulogy for his grandfather Midori, yet also for the living, we who survive on the margins of graveyards and rituals of our own making."—Karen Tei Yamashita, author of *Letters to Memory* "Sometimes a work of art functions as a dream. At other times, a work of art functions as a conscience. In the tradition of Juan Rulfo's *Pedro Páramo*, Brandon Shimoda's *The Grave on the Wall* is both. It is also the type of fragmented reckoning only America could instigate."—Myriam Gurba, author of *Mean* "Within this haunted sepulcher built out of silence, loss, and grief—its walls shadowed by the traumas of racial oppression and violence—a green river lined with peach trees flows beneath a bridge that leads back to the grandson."—Jeffrey Yang, author of *Hey, Marfa: Poems* "It is part dream, part memory, part forgetting, part identity. It is a remarkable exploration of how citizenship is forged by the brutal US imperial forces—through slave labor, forced detention, indiscriminate bombing, historical amnesia and wall. If someone asked me, Where are you from? I would answer, From *The Grave on the Wall*."—Don Mee Choi, author of *Hardly War* "Shimoda intercedes into the absences, gaps and interstices of the present and delves the presence of mystery. This mystery is part of each of us. Shimoda outlines that mystery in silence and silhouette, in objects left behind at site-specific travels to Japan and in the disparate facts of his grandpa's FBI file. Gratitude to Brandon Shimoda for taking on the mystery which only literature accepts as the basic challenge."—Sesshu Foster, author of *City of the Future* "Shimoda is a mystic writer ... He puts what breaches itself (always) onto the page, so that the act of writing becomes akin to paper-making: an attention to fibers, coagulation, texture and the water-fire mixtures that signal irreversible alteration or change. ... he has written a book that touches the bottom of my own soul."—Bhanu Kapil, author of *Ban en Banlieue* "The *Grave on the Wall* is a passage of aching nostalgia and relentless assembly out of which something more important than objective truth is conjured—a ritual frisson, a veracity of spirit. I am grateful to have traveled along."—Trisha Low, *The Believer*

*Silence of the Grave* Nov 21 2019 When a skeleton is unearthed at a Reykjavik building site, Inspector Erlendur and his colleagues set out to unravel a complex decades-old crime that may have ties to his own troubled family history. He goes to Bellevue, to visit the family of the policeman who was murdered, and the surviving officer of the two. He briefly meets the press, then goes to the scene of the shooting, a car that looked like the remnants of a war zone, bullet ridden and blood soaked. On the way home to Riverdale (in the North Bronx, just above Manhattan), he hears over the police radio that the suspected cop killer is being pursued in Harlem, where he has escaped via the subway, and reemerged onto the street. Raymond's instructs his driver to take him there, and when they arrive, wind up in the middle of a gun battle between the suspect and responding units. In the chase and chaos of combat, Raymond's car hits and kills the suspect. This action opening sets into motion a series of events that will take this domestic crime into the dark world of international terrorism. Complicating matters is a voracious tabloid press, internal city politics, and a long-simmering affair between Commissioner Raymond and the District Attorney (both married). As Rick Raymond races against the clock to solve the crime and prevent collateral personal damage, he discovers an international conspiracy that will rock not only the city, but the entire nation.
