Father Brown Mystery Stories Aug 22 2019

What's wrong with the world? Apr 10 2021 In this volume Mr. Chesterton has tackled with his customary gaiety of heart and uncanny shrewdness of eye and hand no less a trinity than socialism, woman's suffrage, and the new education. He begins by proclaiming that what is wrong with the world is chiefly that we have got out of the habit of asking what is right before we begin the diagnosis of the evil and the eager advocacy of a remedy. His method is his favorite one of accepting the stock retorts of his adversaries at their face value, and proceeding to discover in these the ultimate confirmation of his own views and the utter confounding of theirs. All over, this book is full of brilliant, paradoxical and entertaining essays.

All Is Grist - A Book of Essays Oct 17 2021 This early work by G. K. Chesterton was originally published in 1903. Gilbert Keith Chesterton was born in London in 1874. 'All is Grist' is a collection of essays. He studied at the Slade School of Art, and upon graduating began to work as a freelance journalist. Over the course of his life, his literary output was incredibly diverse and highly prolific, ranging from philosophy and ontology to art criticism and detective fiction. However, he is probably best-remembered for his Christian apologetics, most notably in *Orthodoxy* (1908) and *The Everlasting Man* (1925). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Gashmu Saith It Feb 18 2022 As Nehemiah rebuilt the walls of Jerusalem, Gashmu and the enemies of Israel mocked him: "It is reported among the heathen, and Gashmu saith it, that thou and the Jews think to rebel..." (Neh. 6:6). Too many Christians building communities today take the taunts of every modern-day Gashmu seriously. Community is a buzzword, and it turns out there's a lot of bad advice about how to build one. In *Gashmu Saith It*, Douglas Wilson includes forty years of experience for Christians wanting to build robust communities without retreat or compromise on the foundation of the Gospel. This book is full of wisdom: Get calluses. Be loyal. Fight sin. Build walls on the outside and a church in the middle.

In Defense of Sanity Mar 22 2022 G.K. Chesterton was a master essayist. But reading his essays is not just an exercise in studying a literary form at its finest, it is an encounter with timeless truths that jump off the page as fresh and powerful as the day they were written. The only problem with

Chesterton's essays is that there are too many of them. Over five thousand! For most GKC readers it is not even possible to know where to start or how to begin to approach them. So three of the world's leading authorities on Chesterton - Dale Ahlquist, Joseph Pearce, Aidan Mackey - have joined together to select the "best" Chesterton essays, a collection that will be appreciated by both the newcomer and the seasoned student of this great 20th century man of letters. The variety of topics are astounding: barbarians, architects, mystics, ghosts, fireworks, rain, juries, gargoyles and much more. Plus a look at Shakespeare, Dickens, Jane Austen, George MacDonald, T.S. Eliot, and the Bible. All in that inimitable, formidable but always quotable style of GKC. Even more astounding than the variety is the continuity of Chesterton's thought that ties everything together. A veritable feast for the mind and heart. While some of the essays in this volume may be familiar, many of them are collected here for the first time, making their first appearance in over a century.

The Everlasting Man Aug 27 2022 The Everlasting Man aids readers in their journey quest to know God and his son, Jesus Christ.

The G. K. Chesterton Collection [50 Books] Nov 05 2020 THE G. K. CHESTERTON COLLECTION [50 BOOKS] G. K. CHESTERTON — 50 Books in One: 22 Non-Fiction, 11 Fiction, 8 Biographies, 4 Poetry, 1 Play, 3 Critiques, 1 Introduction — Over 2.3 Million Words in one E-Book — Includes an Introduction to Gilbert Keith Chesterton — Includes an Active Index to all books and 50 Table of Contents for each book — Includes Illustrations by Claude Monet Gilbert Keith Chesterton (1874–1936) was an English writer. He wrote on philosophy, ontology, poetry, plays, journalism, public lectures and debates, literary and art criticism, biography, Christian apologetics, and fiction, including fantasy and detective fiction. Chesterton is often referred to as the "prince of paradox". Whenever possible, Chesterton made his points with popular sayings, proverbs, and allegories—first carefully turning them inside out. Chesterton is well known for his reasoned apologetics and even some of those who disagree with him have recognized the universal appeal of such works as Orthodoxy and The Everlasting Man. Chesterton, as a political thinker, cast aspersions on both progressivism and conservatism, saying, "The whole modern world has divided itself into Conservatives and Progressives. The business of Progressives is to go on making mistakes. The business of the Conservatives is to prevent the mistakes from being corrected." Chesterton routinely referred to himself as an "orthodox" Christian, and came to identify such a position more and more with Catholicism, eventually converting to Roman Catholicism from High Church Anglicanism. George Bernard Shaw, Chesterton's "friendly enemy" said of him, "He was a man of colossal genius". INCLUDED BOOKS: GILBERT KEITH CHESTERTON —NON-FICTION— HERETICS ORTHODOXY WHAT'S WRONG WITH THE WORLD WHAT I SAW IN AMERICA THE NEW JERUSALEM IRISH IMPRESSIONS A SHORT HISTORY OF ENGLAND EUGENICS AND OTHER EVILS THE SUPERSTITION OF DIVORCE THE APPETITE OF TYRANNY THE CRIMES OF ENGLAND THE BLATCHFORD CONTROVERSIES THE VICTORIAN AGE IN LITERATURE A MISCELLANY OF MEN ALARMS AND DISCURSIONS ALL THINGS CONSIDERED THE DEFENDANT TREMENDOUS TRIFLES UTOPIA OF USURERS AND OTHER ESSAYS THE USES OF DIVERSITY ESSAYS BY CHESTERTON A CHESTERTON CALENDAR —FICTION— THE INNOCENCE OF FATHER BROWN THE WISDOM OF FATHER BROWN THE MAN WHO WAS THURSDAY THE MAN WHO KNEW TOO MUCH THE NAPOLEON OF NOTTING HILL THE FLYING INN MANALIVE THE BALL AND THE CROSS THE CLUB OF QUEER TRADES THE TREES OF PRIDE OTHER STORIES —BIOGRAPHY— VARIED TYPES CHARLES DICKENS APPRECIATIONS AND CRITICISMS OF THE WORKS OF CHARLES DICKENS GEORGE BERNARD SHAW ROBERT BROWNING WILLIAM BLAKE G.F. The Works of G.K. Chesterton Feb 27 2020

The Everyman Chesterton Mar 29 2020 Included here are some of the well-loved Father Brown detective stories, surely among the best in the genre, and a range of poetry, serious and light-hearted - Chesterton wrote some of the best nonsense and satirical verse in the language. The main bias of the selection, however, will be towards his non-fictional prose, where, Dr Ker argues, his real greatness lies. In that sense he is the successor of the great Victorian 'Sages', Carlyle, Arnold, Ruskin and Newman. Selections will be made from his studies of Victorian literature (particularly his classic essays on Dickens, originally published by Everyman), his critical biographies of St Francis of Assisi, St Thomas Aquinas and William Cobbett; his apologetic classics *Orthodoxy* and *The Everlasting Man*, his journalistic essays (a form in which he excelled) and from his best political and social criticism, with particular emphasis on his championing of the common man and the masses against virtually all the intellectuals of his day. Edited and introduced by an expert in the field, this substantial volume promises to bring its author back into prominence with a thorough intellectual and literary reassessment of his achievements

Heretics May 24 2022 Mr. Gilbert Chesterton is quite on his own ground in writing essays about about Heretics. Such subjects as Kipling, Shaw, Whistler, H. G. Wells, the new paganism, and the importance of orthodoxy possess brilliancy enough in themselves to satisfy even this arch-priest of brilliancy in style.

The Book of Job Aug 15 2021 The Book of Job is among the other Old Testament Books both a philosophical riddle and a historical riddle. Controversy has long raged about which parts of this epic belong to its original scheme and which are interpolations of considerably later date. The doctors disagree, as it is the business of doctors to do; but upon the whole the trend of investigation has always been in the direction of maintaining that the parts interpolated, if any, were the prose prologue and epilogue and possibly the speech of the young man who comes in with an apology at the end. This work contains Chesterton's assumptions and thoughts on this mysterious scripture.

The Everlasting Man Oct 05 2020 The Title 'The Everlasting Man written/authored/edited by G. K. Chesterton', published in the year 2017. The ISBN 9789351285694 is assigned to the Hardcover version of this title. This book has total of pp. 209 (Pages). The publisher of this title is Kalpaz Publications. This Book is in English. The subject of this book is Religion & Spirituality / Religious Studies / History

The Collected Works of G.K. Chesterton Aug 03 2020

Heretics Illustrated Jan 26 2020 Heretics is a collection of 20 essays originally published by G.K. Chesterton in 1905

G K Chesterton's Christian Writings (Unabridged): Everlasting Man, Orthodoxy, Heretics, St Francis of Assisi, St. Thomas Aquinas and the Man Who Was T Sep 15 2021 This Omnibus edition of g K Chesterton's writings includes the following complete and unabridged classic books: *The Everlasting Man*. What makes the human uniquely human? This is the question that G.K. Chesterton starts with in this exploration of human history. Chesterton responds to H.G. Wells, affirming the uniqueness of being human and the message of the Christian faith. Chesterton refutes the idea of Social Darwinism, which claims that we have been gradually evolving from the barbaric to the civilised state we currently find ourselves in. He sees Christianity as a blend of reason and story, which satisfies both the mind and the heart. *Orthodoxy*. Chesterton explores "right thinking" and explains how it led him to come to faith. This is a very personal account of his conversion, but Chesterton makes it clear that for him it was as a result of his scholarly examination of Christianity's arguments. *Heretics*. Chesterton is at his very witty best in this collection of twenty articles. He focussed his brilliant mind on "heretics," prominent figures who Chesterton considers theologically wrong, including Kipling, Shaw, Wells, and Whistler. St

Francis of Assisi. Francis of Assisi is without doubt one of the greatest saints, and hugely influential in human history. This biography by G. K. Chesterton is considered to be the greatest tribute to this great man's life and one that fully appreciates what St Francis offered to humanity. St Thomas Aquinas. This Biography of St Thomas Aquinas ranks as one of the best books ever written on the life and thought of this great saint. Aquinas was shy and dubbed "the Dumb Ox" by his classmates. Little did they know that he was an unparalleled genius and would revolutionise Christian thought. The Man who was Thursday. This book is included because like much of G. K. Chesterton's fiction, it is full of Christian allegory. This is a true masterpiece, a psychological thriller that weaves its way around seven anarchists who are called by the names of the days of the week. The aim of the book is to expose moral relativism and nihilism for the evil that they are.

C. S. Lewis and the Catholic Church Jan 08 2021 C. S. Lewis, the great British novelist and Christian apologist, has been credited by many-including the author-for aiding their journey to the Catholic Church. For this reason, it is often perplexing that Lewis himself never became Catholic. In *C. S. Lewis and the Catholic Church*, Joseph Pearce delves into Lewis's life, writings, and spiritual influences to shed light on the matter. Although C. S. Lewis's conversion to Christianity was greatly influenced by J. R. R. Tolkien, a Catholic, and although Lewis embraced many distinctively Catholic teachings, such as purgatory and the sacrament of Confession, he never formally entered the Church. Meticulously researched and beautifully written, this book digs deep to present the facts of Lewis's life, to illuminate key points in his writings, and to ask the question: Was C. S. Lewis on the path to Rome? This revised and updated edition-with a new introduction by Father Dwight Longenecker-is a fascinating historical, biographical, theological, and literary account of a man whose writings have led scores to the Catholic Church, despite never having become a Catholic himself.

The Everlasting Man Oct 29 2022 Here is the book that converted C. S. Lewis from atheism to Christianity. This history of mankind, Christ, and Christianity is to some extent a conscious rebuttal of H. G. Wells' *Outline of History*, which embraced both the evolutionary origins of humanity and the mortal humanity of Jesus. Whereas Orthodoxy detailed Chesterton's own spiritual journey, this book illustrates the spiritual journey of humanity, or at least of Western civilization. A book for both mind and spirit.

The Evolution of the Idea of God Jun 24 2022

The Great Heresies Nov 17 2021 In *The Great Heresies*, Hilaire Belloc takes the reader on a fast and furious tour of European history seen through the lens of its chief religious conflicts - Arianism, 'Mohammedanism' (Islam), Albigensianism, the Reformation, and what he terms 'The Modern Phase.'

Chesterton Apologetics Set - Heretics, Orthodoxy, and The Everlasting Man Jan 20 2022

The Seven Spiritual Weapons Apr 22 2022 St. Catherine of Bologna, much venerated in her own city, has been little known outside of her native region but interest in her is now increasing. The outline of her life is clear and her own work, *The Seven Spiritual Weapons*, tells a good deal about her inner experiences and early years in the cloister. The introduction to this translation situates her life in the history of Ferrara and Bologna and studies how the external history of the community impinged on Catherine's own religious experience and how it was interwoven with her successful struggle against depression.

The Ball and the Cross Oct 24 2019 Due to certain irreconcilable differences two Scottish men, one being Catholic and the other being atheist, decide to fight a duel to the death. However, duels are against the law, so they have to find a secret place for that occasion. Searching for such place they must avoid authorities, and also numerous kinds of people who all try to convince them to give up on a duel, leading to many comic adventures.

A Man of the Beatitudes Feb 06 2021 This moving biography of Pier Giorgio Frassati, who turned from a life of privilege to one devoted to working with the poor, and who died at the age of 24 from the polio virus, presents a portrait of a man whose love of God transformed his life and the lives of

those around him. Inspired as a young man by Pier Giorgio, Pope John Paul II recently approved beatification for Pier Giorgio.

The Everlasting Man Sep 03 2020 2021 Reprint of the 1925 Edition. The Everlasting Man is a one of Chesterton's better-known works in Christian apologetics. It is, to some extent, a deliberate rebuttal of H. G. Wells' *The Outline of History*, disputing Wells' portrayals of human life and civilization as a seamless development from animal life and of Jesus Christ as merely another charismatic figure. Chesterton detailed his own spiritual journey in *Orthodoxy*, but in this book he tries to illustrate the spiritual journey of humanity, or at least of Western civilization. The author Ross Douhat credits that, "Chesterton's somewhat loosey-goosey outline of history doubles as the best modern argument for Christianity I've ever read. You have to give in to the Chestertonian style, but if you do, be careful - you might just be converted. C. S. Lewis credited *The Everlasting Man* with "baptizing" his intellect, much as George MacDonald's writings had baptized his imagination, so as to make him more than half-converted well before he could bring himself to embrace Christianity. In a 1950 letter to Sheldon Vanauken, Lewis calls the book "the best popular apologetic I know," and in 1947 he wrote to Rhonda Bodle: "the [very] best popular defense of the full Christian position I know is G. K. Chesterton's *The Everlasting Man*." The book was also cited by *The Christian Century* in a list of 10 books that "most shaped [Lewis'] vocational attitude and philosophy of life." Contents: Part I: On the creature called man -- I. The man in the cave -- II. Professors and prehistoric men -- III. The antiquity of civilization -- IV. God in comparative religion -- V. Man and mythologies -- VI. Demons and philosophers -- VII. The war of the gods and demons -- VIII. The end of the world -- Part II: On the man called Christ -- I. The God in the cave -- II. The riddles of the gospel -- III. The strangest story in the world -- IV. The witness of the heretics -- V. The escape from Paganism -- VI. The five deaths of the faith.

Behold the Man Jun 12 2021 Lucid and inspiring, *Behold the Man* is a unique exploration of Catholic spirituality for men. Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality. While this book does not exclude these subjects, it is the first to present a comprehensive picture of Catholic male spirituality. What is authentic male Catholic spirituality? What distinguishes it from Protestant male spirituality? How does masculine spirituality complement feminine spirituality? These questions and many more are answered in this book. Drawing from Scripture and Church teaching, the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ. He demonstrates that when a man embraces the cross he is truly able to be himself—the man that God created and calls him to be. *Behold the Man* can deepen a man's experience of Christ and help him to know the Lord more intimately.

[The Everlasting Man](#) Nov 29 2022 In *The Everlasting Man*, G. K. Chesterton paints the full panorama of human history in light of Christian tradition--
Amazon.

Orthodoxy Dec 19 2021 Chesterton's description of his intellectual and philosophical journey to Christianity.

[Heretics and Orthodoxy](#) May 12 2021 G. K. Chesterton's *Heretics* was first published in 1905, with *Orthodoxy* following in 1908. Chesterton viewed them as companions to one another, as *Orthodoxy* was written as a response to criticism he had received for *Heretics*. This edition contains both works while preserving Chesterton's original text (and British spelling conventions).

Brave New Family Nov 25 2019

The Three Apologies of G.K. Chesterton Sep 27 2022 Chesterton was a man who continually showed us the use of orthodoxy in Christianity - most of all in his three great apologies: *Heretics*, *Orthodoxy* & *The Everlasting Man*. In *Heretics*, he first points to the flaws in the beliefs of the moderns. In *Orthodoxy*, he defends the values handed down through millennium of Christian dogma. In *The Everlasting Man*, he tells the grand story of Christianity itself and the often ignored miracle of its appearance in the life of man.

Rid of My Disgrace Jul 02 2020 Helps adult victims of sexual assault move from brokenness to healing. This book outlines a theology of redemption and includes an application of how the disgrace of the cross can lead victims toward grace.

The Everlasting Man Sep 23 2019 First published in 1925, "The Everlasting Man" by G. K. Chesterton is a powerful argument against the theories of evolution and comparative religion. Chesterton deeply disagreed with the view of animal and human evolution popularized by "The Outline of History" written by H. G. Wells in 1919. Wells argued that human civilization was nothing more than a logical progression from simple animal life and that Jesus Christ was no more than a charismatic leader. In Wells' view, the Christian religion was merely one amongst many and nothing more. Armed with persuasive arguments and research, Chesterton sought to prove that man was far more than just a special kind of animal and that Jesus was more than just a charismatic individual. Chesterton argues that humans are quite unlike any other animal on earth and have achieved more and understand more than would be possible without the presence of a divine creator. Christianity provides its believers with a true answer to the chaos and suffering the world experienced before Jesus brought his message to his disciples. "The Everlasting Man" made a lasting impression on such respected authors as C. S. Lewis and continues to inspire the faithful with its compelling defense of Christianity. This edition is printed on premium acid-free paper.

The Man Who Was Thursday: A Nightmare May 31 2020 The Man Who Was Thursday: A Nightmare is a novel by G. K. Chesterton, first published in 1908. The book is sometimes referred to as a metaphysical thriller. In Edwardian era London, Gabriel Syme is recruited at Scotland Yard to a secret anti-anarchist police corps.

G.K. Chesterton Jul 14 2021 G. K. Chesterton was one of the most well-known and beloved writers of his time. Yet he has been strangely neglected today. This book is the perfect introduction to Chesterton. Ahlquist is an able guide who takes the reader through twelve of Chesterton's most important books as well as the famous Father Brown stories. One of the problems with approaching Chesterton is that he was so prolific that the reader is simply overwhelmed. But Ahlquist makes the literary giant accessible, highlighting Chesterton's amazing reach, keen insight, and marvelous wit. Each chapter is liberally spiced with Chesterton's striking quotations. There is something special that runs throughout Chesterton's books that sets him apart from the confusing philosophies of the modern world. That common thread in Chesterton's writings is common sense. It is instantly recognizable and utterly refreshing.

Manalive Dec 27 2019 Light-hearted work introduces Innocent Smith, a bubbly, eccentric gentleman of questionable character, into the lives of a group of young disillusioned people — and the result is inspired, high-spirited nonsense.

The Everlasting Man Complete and Unabridged Dec 07 2020

Eugenics and Other Evils Apr 30 2020 From the introduction: "I publish these essays at the present time for a particular reason connected with the present situation; a reason which I should like briefly to emphasise and make clear. Though most of the conclusions, especially towards the end, are conceived with reference to recent events, the actual bulk of preliminary notes about the science of Eugenics were written before the war"

The Everlasting Man (Sea Harp Timeless series) Dec 31 2022 Has religion, the church, or Christianity become convoluted? confusing? disappointing? We live in a time where church attendance is declining, where faith has become so deeply intertwined with politics, ideologies, theologies and personal opinions that it's seemingly impossible to find Truth. In all of this, we have lost sight of the center of it all—that is, the utterly enchanting person of Jesus Christ. In G.K. Chesterton's Everlasting Man, the reader will be brought back to the very foundation of the Christian faith: that is, Jesus—His life, death and resurrection. G.K. Chesterton (1874-1936) was arguably the greatest writer and thinker of the 20th century—his keen intellect, wit, spirit and wisdom would go on to influence writers like J. R. R. Tolkien, Ernest Hemingway, C. S. Lewis, T.S. Eliot and many more. Chesterton's

ability to broach controversial and diverse topics with a sense of humor and the use of paradox has made him one of the most influential voices in both Christian and secular spheres. In *Everlasting Man*, Chesterton brilliantly examines the history of man from a Christ-centered perspective, appealing to the mind and heart as he points to the power, truth and supremacy of Jesus by exploring: The uniqueness of Jesus' claims Jesus' ability to unite religion and philosophy Jesus' radical and shocking teaching Jesus' affirmation of human goodness The hope of Jesus' resurrection for all mankind Chesterton writes, "There are two ways of getting home; and one of them is to stay there. The other is to walk 'round the whole world till we come back to the same place." *Everlasting Man* will lead us home—to the person of Jesus, to the foundation of faith, and perhaps even to the doors of the Church.

The Everlasting Man Jul 26 2022 Prefatory Note 4 Introduction: The Plan of This Book 5 PART I: ON THE CREATURE CALLED MAN 17 I The Man in the Cave 17 II Professors and Prehistoric Men 38 III The Antiquity of Civilisation 58 IV God and Comparative Religion 90 V Man and Mythologies 113 VI Demons and Philosophers 132 VII The War of the Gods and Demons 158 VIII The End of the World 176 PART II: ON THE MAN CALLED CHRIST 194 I The God in the Cave 194 II The Riddles of the Gospel 215 III The Strangest Story in the World 231 IV The Witness of the Heretics 250 V The Escape from Paganism 273 VI The Five Deaths of the Faith 295 CONCLUSION: THE SUMMARY OF THIS BOOK 310 Appendix I. On Prehistoric Man 322 Appendix II. On Authority and Accuracy 324 This book needs a preliminary note that its scope be not misunderstood The view suggested is historical rather than theological, and does not deal directly with a religious change which has been the chief event of my own life; and about which I am already writing a more purely controversial volume. It is impossible, I hope, for any Catholic to write any book on any subject, above all this subject, without showing that he is a Catholic; but this study is not specially concerned with the differences between a Catholic and a Protestant. Much of it is devoted to many sorts of Pagans rather than any sort of Christians; and its thesis is that those who say that Christ stands side by side with similar myths, and his religion side by side with similar religions, are only repeating a very stale formula contradicted by a very striking fact. To suggest this I have not needed to go much beyond matters known to us all; I make no claim to learning; and have to depend for some things, as has rather become the fashion, on those who are more learned. As I have more than once differed from Mr. H. G. Wells in his view of history, it is the more right that I should here congratulate him on the courage and constructive imagination which carried through his vast and varied and intensely interesting work; but still more on having asserted the reasonable right of the amateur to do what he can with the facts which the specialists provide. INTRODUCTION THE PLAN OF THIS BOOK There are two ways of getting home; and one of them is to stay there. The other is to walk round the whole world till we come back to the same place; and I tried to trace such a journey in a story I once wrote. It is, however, a relief to turn from that topic to another story that I never wrote. Like every book I never wrote, it is by far the best book I have ever written. It is only too probable that I shall never write it, so I will use it symbolically here; for it was a symbol of the same truth. I conceived it as a romance of those vast valleys with sloping sides, like those along which the ancient White Horses of Wessex are scrawled along the flanks of the hills. It concerned some boy whose farm or cottage stood on such a slope, and who went on his travels to find something, such as the effigy and grave of some giant; and when he was far enough from home he looked back and saw that his own farm and kitchen-garden, shining flat on the hill-side like the colours and quarterings of a shield, were but parts of some such gigantic figure, on which he had always lived, but which was too large and too close to be seen. That, I think, is a true picture of the progress of any really independent intelligence today; and that is the point of this book.

The Well and the Shallows Mar 10 2021 One of G. K. Chesterton's finest collection of essays, *The Well and the Shallows*, explore more controversial themes than typically seen in the work of the English writer. Written with Chesterton's biting wit, he touches on various cultural, social and moral issues from birth control to Catholicism. Chesterton's perceptive analysis of core issues within modern society remains startling relatable

nearly 100 years since its publication. Written shortly after his conversion to Catholicism, he writes with tremendous foresight focusing on subjects like Catholicism, Reformation and Protestantism, and other profound writings on political and social issues based around the central theme of religion. Essays in this volume include: My Six Conversions The Return to Religion The Higher Nihilism The Ascetic At Large Babies and Distribution A Century of Emancipation Trade Terms Shocking the Modernists Sex and Property Why Protestants Prohibit Where is the Paradox? The Well and the Shallows is an insightful collection of essays on some of the most important ideas of the modernist era written by one of the greatest English writers of the 20th century. It is a perfect read for those interested in the work of G. K. Chesterton or any with a broader interest in historical, social analysis from a religious perspective.
