Destroy Your Student Loan Debt Feb 27 2020 You don't have to spend decades paying off your student loans! You can destroy your debt fast and live a life of freedom. You've been lied to: there's no such thing as good debt. Debt sucks. Period. And that includes student loan debt. No matter what you believed—or were told—when you took out your loans, you need to get serious about getting rid of your debt fast, because it's costing you more than you know. That's why bestselling author Anthony O'Neal wrote this motivating 64-page Quick Read—to show you why you need to dump your debt fast and how to do it. If you have student loan debt and have never heard of Ramsey Solutions or the 7 Baby Steps, this 64-page Quick Read is for you. Anthony will walk you step-by-step through Baby Steps 1 and 2 to show you how to dump your debt forever. You'll learn: -The ugly truth about how debt hurts you -The importance of an emergency fund and how to budget (Baby Step 1) -The power of the debt snowball (Baby Step 2) -Exactly what to do to pay off your student loans faster -How to control your money so it doesn't control you -You'll also hear stories from real people about how they paid off their debt fast You don't need relief from your debt, you need to get mad at it. Because the truth is, when you get mad enough, you can pay off your loans faster than you ever thought possible—and take control of your money, and your life, for good! Don't let anything stand in the way of your future. This plan has helped millions get out of debt and you're next. You can do this! (Ramsey Press)

Financial Peace Revisited Oct 29 2022 With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers Financial Peace and More than Enough, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually. In this new edition of Financial Peace, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, Financial Peace is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

Baby Steps Millionaires Apr 22 2022 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . \*Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth \*Learn how to bust through the barriers preventing them from becoming a millionaire \*Hear true stories from ordinary people who dug themselves out of debt and built wealth \*Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

Eat to Beat Depression and Anxiety Oct 05 2020 A revolutionary prescription for healing depression and anxiety and optimizing brain health through the foods we eat, including a six-week plan to help you get started eating for better mental health. Depression and anxiety disorders are rising, affecting more than fifty-eight million people in the United States alone. Many rely on therapy and medications to alleviate symptoms, but often this is not enough. The latest scientific advances in neuroscience and nutrition, along with our understanding of the mind-gut connection, have proven that how and what we eat greatly affects how we feel—physically, cognitively, and emotionally. In this groundbreaking book, Dr. Drew Ramsey helps us forge a path toward greater mental health through food. Eat to Beat Depression and Anxiety breaks down the science of nutritional psychiatry and explains what foods positively affect brain health and improve mental wellness. Dr. Ramsey distills the most cutting-edge research on nutrition and the brain into actionable tips you can start using today to improve brain-cell health and growth, reduce inflammation, and cultivate a healthy microbiome, all of which contribute to our mental well-being. He explores the twelve essential vitamins and minerals most critical to your brain and body and outlines which anti-inflammatory foods feed the gut. He helps readers assess barriers to self-nourishment and offers techniques for enhancing motivation. To help us begin, he provides a kick-starter six-week mental health food plan designed to mitigate depression and anxiety, incorporating key food categories like leafy greens and seafood, along with simple, delicious, brain nutrient-rich recipes. By following the methods Dr. Ramsey uses with his patients, you can confidently choose foods to help you on your journey to full mental health.

**Starting Over** Oct 24 2019 The book Starting Over is the product of consumer demand. Dave Ramsey's Debtor Education (DRDE) provides pre-discharge financial education to debtors filing Chapter 7 and 13 bankruptcy as mandated by the United States Trustee, delivered to its users by their attorneys. Many of those attorneys have asked that DRDE provide something to help discharged debtors avoid the pitfalls they'll face as they leave the Bankruptcy Court's jurisdiction and their lawyers' protection and return to the real world. Starting Over begins with the moving story of the Director of Dave Ramsey's Debtor Education. He has been through the trenches and has great empathy for those who have to start over, as he did himself. This chapter reinforces the credibility of those who are offering this advice. After that the chapters are divided into several sections designed to track the debtors' progress, beginning with the days after discharge. It begins with a "To-Do List" of issues that should be addressed right away--the sooner the better--listed in more or less chronological order. Some of these may seem obvious--secure your home, don't go into debt for anything, cut up credit cards, etc.--but in truth, many people who have no history of fiscal responsibility need elementary guidance and a dose of hope in their effort to change their behaviors. The next several chapters make up what is called the "Next Steps." These are matters which will take longer, and about which one may need to do some serious planning. This includes finding a career that really fits, setting short term and long term goals, working on the attitudes and behaviors that caused the bankruptcy, making sure you have the right insurance protection, to name a few. Finally there is a section entitled "Advice for Moving Forward." In addition to some real-life suggestions and examples from successful bankruptcy lawyers, this part deals with major decisions such as renting versus buying, what to do about an upside-down car or home, the arguments against cosigning, and--hopefully unnecessary--dealing with collectors and creditors.

**Take Back Your Time** Jan 26 2020 It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In Take Back Your Time, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

**The Legacy Journey** Dec 19 2021 What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth?and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

**Rich Dad, Poor Dad** Nov 05 2020 Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

**Love Your Life Not Theirs** Mar 10 2021 In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

**Choose FI** Jul 02 2020 Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning *ChooseFI* podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular *ChooseFI* podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with abundance Updating the commonly accepted wisdom on college education and the debt associated with it Cutting through the noise on investing to discover strategies that work Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey. Whether you have mountains of debt now or are recently debt free and wondering what to do next, *Choose FI: Your Blueprint to Financial Independence* will give you the information to guide your next move.

**Ramadan Ramsey** Sep 15 2021 The Guggenheim Fellowship and Whiting Award-winning author Louis Edwards makes his long-awaited comeback with this epic tale of a New Orleans boy whose very creation is so filled with tension that it bedevils his destiny before he is even born. Spanning from the Deep South to the Middle East, *Ramadan Ramsey* bridges multiple countries and cultures, entwining two families who struggle to love and survive in the face of war, natural disasters, and their equally tumultuous, private mistakes and yearnings. *Ramadan Ramsey* begins in 1999 with the moving (and funny) teenage love story of Alicia Ramsey, a native New Orleans African American young woman, and Mustafa Totah, a Syrian immigrant who works in her neighborhood at his uncle's convenience store. Through a series of familial betrayals, Mustafa returns to Syria unaware that Alicia is carrying his child. When the baby is born, Alicia names their son Ramadan and raises him with the help of her mother, Mama Joon. But tragedy strikes when the epochal hurricane of 2005 barrels into New Orleans, shattering both the Ramsey and Totah families. Years later, when Ramadan turns twelve, he sets off to find Mustafa. It is an odyssey filled with breathtaking and brilliant adventures that takes Ramadan from the familiar world of NOLA to Istanbul, and finally Aleppo, Syria, where he hopes to unite with the father he has never known. Intimate yet epic, heartbreaking yet triumphant, *Ramadan Ramsey* explores the urgency of 21st century childhood and the richness and complexity of the modern family as a shared global experience. It is also a reminder of Louis Edwards' immense talent and fearless storytelling and is a welcome return of this literary light.

**More than Enough** Nov 17 2021 In his first bestseller, *Financial Peace*, Dave Ramsey taught us how to eliminate debt from our lives. Now in *More Than Enough*, he gives us the keys to building wealth while also creating a successful, united family. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

*Debt-Free Degree* Sep 03 2020 Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.1 Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: \*How to prepare their child for college \*Which classes to take in high school \*How and when to take the ACT and SAT \*The right way to do college visits \*How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

*Banner in the Sky* Apr 10 2021 The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's most challenging peak. But before Rudi can reach the top, he must pass through the forbidden Fortress, the gaping chasm in the high reaches of the Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.
