“This heartfelt, witty addition to women’s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen.” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow’s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, “What is family, really?” *Math 1 B How to Lose a Guy in Ten Days* meets *Accidentally on Purpose* by Jill Shalvis in this head-

over-heels romantic comedy. The gentle weapon of prayer opens the heart and soul and gives voice to our deepest yearnings, while bringing us closer to God. The startling wisdom of Rebbe Nachman of Breslov will help you talk with God and enable you to hear your own voice as well. DIVMore than 2,000 former slaves provide first-person accounts in blunt, simple language about their lives in bondage. Illuminating, often startling information about southern life before, during, and after the Civil War. /div

The Flivver King stands among the finest of modern American historical novels. It is history as it ought to be written - from the bottom up and the top down, with monumental sensitivity to the compromise and conflict between the two extremes. Its two stories - those of Henry Ford and Ford-worker Abner Shutt, unfold side by side, indeed dialectically. They are, in the end, one story: the saga of class and culture in 'Ford-America'. Workers and bosses, flappers and Klansmen, war and depression, Prohibition outlaws and high-society parties, unions and anti-union gun thugs - few aspects of American life in the first four decades of the last century are missing from this small masterpiece. The Flivver King sustains the same sure grasp of working class life which characterized Sinclair's earlier classic, *The Jungle*, but much less sentimentally and with a steadier focus on how alienated work breeds not only degradation but also resistance and revolt. Originally written in 1937 to aid the United Automobile Workers' organizing drive, *The Flivver King* answers the question "Why do we need a union?" with quiet eloquence. The Charles H. Kerr Company has reissued it as a great American novel and an important historical document, because that question has never gone away and is now more vital than ever. With an introduction from Steve Meyer. A savvy connoisseur's guide from the editors of the world's most popular cannabis platform. Cannabis is at the very beginning of a craft and educational renaissance. It is emerging from the legislative shadows and a second awakening is occurring: people are proactively seeking information about how to properly consume and enjoy it. And cannabis is a wildly diverse product, even more so than alcohol. Consumers can experience not only different flavor profiles, but also different cerebral and body effects; they can consume using different methods, from vaporization to combustion to topical application; and they can pick and choose between an ever-growing number of different strains and products. **THE LEAFLY GUIDE TO CANNABIS** provides all the best tips to navigating this growing market in a definitive guide that will enhance every user's enjoyment and high. She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes,

he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time. The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way – stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night. A Discovery of Witches meets Twilight in this mesmerizing paranormal romance... Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, toward a confrontation that will decide the fate of two worlds... Fans of Charlaine Harris, Deborah Harkness, and Karen Marie Moning will love the Descendants series, where urban fantasy and paranormal romance collide. For a limited time, grab your copy of this series bundle deal at a discount compared to purchasing the individual books. It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her

reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Selected as one of Motley Fool's "5 Great Books You Should Read" In *The AIG Story*, the company's long-term CEO Hank Greenberg (1967 to 2005) and GW professor and corporate governance expert Lawrence Cunningham chronicle the origins of the company and its relentless pioneering of open markets everywhere in the world. They regale readers with riveting vignettes of how AIG grew from a modest group of insurance enterprises in 1970 to the largest insurance company in world history. They help us understand AIG's distinctive entrepreneurial culture and how its outstanding employees worldwide helped pave the road to globalization. Corrects numerous common misconceptions about AIG that arose due to its role at the center of the financial crisis of 2008. A unique account of AIG by one of the iconic business leaders of the twentieth century who developed close relationships with many of the most important world leaders of the period and helped to open markets everywhere Offers new critical perspective on battles with N. Y. Attorney General Eliot Spitzer and the 2008 U.S. government seizure of AIG amid the financial crisis Shares considerable information not previously made public *The AIG Story* captures an impressive saga in business history--one of innovation, vision and leadership at a company that was nearly--destroyed with a few strokes of governmental pens. *The AIG Story* carries important lessons and implications for the U.S., especially its role in international affairs, its approach to business, its legal system and its handling of financial crises. reflect new course content and instructor tips. Now you can choose between thread and yarn! Not everyone enjoys crocheting with thread. This book includes 101 doilies crocheted using size 10 crochet cotton thread or Omega Emilia worsted-weight yarn. The thread creates a small doily, perfect for coasters for glassware, to grace the table under a bud vase or candlestick and more. The doilies made using worsted-weight yarn create a larger doily to be used on tables and dressers. Size: Small – range in diameter from 3 1/2" to 6" Large – range in diameter from 7 1/2" to 14". Skill Level: Easy. To Mr. Tate Howard, You are quite possibly the most

infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know.

From, *Your Secret Not Admirer Provides* information to students about usage of the atlas and how the continents on Earth are divided. The *Bad Boy Series Collection* I've been in love with Hunter Saint my entire life. He was my first love and the one I could never forget. Then Fate intervened and we became enemies. Now, I must go to Hunter on my hands and knees to beg him to save my brother's life. I'll pay any price to save him. I'll do anything Hunter wants. Anything... The *Bad Boy Series* by S. E. Lund's is a sexy new novella series, featuring a bad boy with a heart of gold and a heroine who can't get him out of her life or her heart. When Fate forces them back together again, can they deny what has long simmered between them?

Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies. Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools. It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook. This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation.

Robert J. Blackwell Assistant Secretary for Maritime Affairs

Welcome to *Look-Alike Land*, where the more you look, the more you see! Like its predecessor, *Look-Alikes Jr.* features 3-D picture puzzles, but this time invites even the youngest child to join in the fun by featuring simpler, easier-to-find look-alikes in childlike settings. There are 11 scenes - house, parlor, kitchen, bedroom, school bus, classroom, construction site, movie lobby, train, farm, and rocket - each with 50+ objects to identify (700+ in total). Look for a cement mixer made out of a mustard bottle, kitchen cabinets made out of cakes of soap, and a bed built with crayons and pasta! Fun for all ages. This best-selling book is back with a brand new series design and a striking new cover.

*Upgrading and Repairing Networks, Fifth Edition* is the definitive guide for anyone with a network, from home networking enthusiasts to professional network administrators. The book explains network architectures and protocols using plain English and real-world examples, and gives valuable insight for fixing network problems. This updated edition includes the latest on network planning

and design, and building a network using wired, wireless, or both technologies. It covers the latest updates in Windows XP Service Pack 2, as well as Gigabit Ethernet, virtual LANs, Bluetooth, WAP, security, firewalls, and VPN use. During the past quarter century, free-market capitalism was recognized not merely as a successful system of wealth creation, but as the key determinant of the health of political and cultural democracy. Now, renowned British journalist and historian Godfrey Hodgson takes aim at this popular view in a book that promises to become one of the most important political histories of our time. *More Equal Than Others* looks back on twenty-five years of what Hodgson calls "the conservative ascendancy" in America, demonstrating how it has come to dominate American politics. Hodgson disputes the notion that the rise of conservatism has spread affluence and equality to the American people. Quite the contrary, he writes, the most distinctive feature of American society in the closing years of the twentieth century was its great and growing inequality. He argues that the combination of conservative ideology and corporate power and dominance by mass media obsessed with lifestyle and celebrity have caused America to abandon much of what was best in its past. In fact, he writes, income and wealth inequality have become so extreme that America now resembles the class-stratified societies of early twentieth-century Europe. *More Equal Than Others* addresses a broad range of issues, with chapters on politics, the new economy, immigration, technology, women, race, and foreign policy, among others. A fitting sequel to the author's critically acclaimed *America In Our Time*, *More Equal Than Others* is not only an outstanding synthesis of history, but a trenchant commentary on the state of the American Dream. Deep coverage and rigorous examination of international corporate finance *Multinational Finance* offers an advanced exploration of international corporate finance concepts and operations. Despite its status as one of the most rigorous texts on the topic, this book remains accessible and readable without sacrificing depth of coverage. Sidebars, key terms, essays, conceptual questions, and problems with solutions help aid in the learning process, while suggested readings and PowerPoint handouts reinforce the material and offer avenues for further exploration. This new sixth edition includes Excel templates that allow students to use real-world tools in a learning environment, and the modular structure facilitates course customization to individual objectives, interests, and preparatory level. The emphasis is on the basics of financial management, but coverage includes unique chapters on treasury management, asset pricing, hedging, options, and portfolio management in addition to traditional finance topics. International finance is a diverse field with myriad specialties and a vast array of possible interests. This book allows students to view the field through the lens of a financial manager with investment or financial options in more than one country to give them a practical feel for real-world application. Understand the nature and operations of international corporate finance Evaluate opportunities, costs, and risks of multinational operations See beyond the numbers and terminology to the general principles at work Learn the markets, currencies, taxation, capital structure, governance, and more Comprehensive, adaptable, and rigorously focused, this book

gives students a solid foundation in international corporate finance, as well as a sound understanding of the tools and mechanics of the field. Designed for MBA and advanced undergraduate courses, *Multinational Finance* provides the deep coverage so essential to a solid education in finance.

Warfare in the twenty-first century goes well beyond conventional armies and nation-states. In a world of diffuse conflicts taking place across sprawling cities, war has become fragmented and uneven to match its settings. Yet the analysis of failed states, civil war, and state building rarely considers the city, rather than the country, as the terrain of battle. In *Cities at War*, Mary Kaldor and Saskia Sassen assemble an international team of scholars to examine cities as sites of contemporary warfare and insecurity. Reflecting Kaldor's expertise on security cultures and Sassen's perspective on cities and their geographies, they develop new insight into how cities and their residents encounter instability and conflict, as well as the ways in which urban forms provide possibilities for countering violence. Through a series of case studies of cities including Baghdad, Bogotá, Ciudad Juarez, Kabul, and Karachi, the book reveals the unequal distribution of insecurity as well as how urban capabilities might offer resistance and hope. Through analyses of how contemporary forms of identity, inequality, and segregation interact with the built environment, *Cities at War* explains why and how political violence has become increasingly urbanized. It also points toward the capacity of the city to shape a different kind of urban subjectivity that can serve as a foundation for a more peaceful and equitable future. This work provides comprehensive and contemporary information on the essential concepts and terms in video and television, including coverage of test and measurement procedures.

You need three things to become a brave and noble knight: A warhorse. A fair maiden. A just cause. Will has a horse—a small chestnut stallion with a white blaze in his brow. Ellie is a fair maiden, but she's supposed to marry Will's older brother, Gavin. And as for the cause, King Richard is calling for a Crusade. The Knights of England must go to the Holy Land to fight. Will and Gavin will go. Blood will be shed. Lives will be taken. But through it all, two things will be constant—Ellie, and a blood-red horse called Hosanna. . . .

*Opportunities and optimism in Aging. Issues in Aging, 3rd edition* takes an optimistic view of aging and human potential in later life. This book presents the most up-to-date facts on aging today, the issues raised by these facts, and the societal and individual responses that will create a successful old age for us all. Mark Novak presents the full picture of aging—exhibiting both the problems and the opportunities that accompany older age. The text illustrates how generations are dependent on one another and how social conditions affect both the individual and social institutions.

**Learning Goals** -Upon completing this book, readers will be able to:

- Understand how large-scale social issues--social attitudes, the study of aging, and demographic issues--affect individuals and social institutions
- Identify the political responses to aging and how individuals can create a better old age for themselves and the people they know
- Separate the myths from the realities of aging
- Recognize the human side of aging
- Trace the transformation of pension plans, health, and opportunities for personal expression and social engagement to the new ecology of

aging today Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of *Miss Julia Paints the Town*. Spanning more than two centuries in Ireland, *Castle on the Rise* unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for *Castle on the Rise*: “Enchanting and mesmerizing!” —PATTI CALLAHAN, New York Times bestselling author of *Becoming Mrs. Lewis* “*Castle on the Rise* perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!” —Colleen Coble, USA TODAY bestselling author of *Secrets at Cedar Cabin* and the *Rock Harbor* series “Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page.” —Rachel Hauck, New York Times bestselling author *Second in the Lost Castle* series (*The Lost Castle*, *Castle on the Rise*, *The Painted Castle*) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words) Love can be blinding and by the time the truth shines through, it's too late to escape. Fame.Fortune.Success.Is that too much to ask?All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be.Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control.Over my heart.My career.My entire life.My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt.Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone.Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series. The General Maintainer Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and

answers in the areas that will likely be covered on your upcoming exam, including but not limited to: use of general maintenance skills; knowledge of a variety of trade fields such as carpentry, landscaping, painting, paving, roofing, structural and mechanical maintenance; working knowledge of materials, tools, equipment; and more. It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay...
